

Terrycloth Tumbler

Approximately 36" x 46"

Read all of the instructions before you begin to cut or sew. WOF means width of fabric, the part from selvage to selvage. All measurements include a 1/4" seam allowance unless otherwise specified. Sew with right sides together, unless otherwise noted. Press all seams after sewing.

What you need:

Blue terrycloth	5/8 yard
Pink terrycloth	5/8 yard
White terrycloth	5/8 yard
Pink flannel 1	3/8 yard
Pink flannel 2	3/8 yard
Lavender flannel 1	3/8 yard
Lavender flannel 2	3/8 yard
Green flannel	3/8 yard
Yellow flannel	3/8 yard
White flannel	3/8 yard
Flannel for binding	1/2 yard

Cutting:

This is a very scrappy quilt that allows you to use your creativity and make a one of a kind baby quilt. Instructions are intended to be general.

1. From **each** color of terrycloth, cut strips the following size by w.o.f:
 - 2-1/2" (top & bottom borders)
 - 2" (side borders)
 - 1-3/4" (upper & lower sashings)
 - 2-1/4" (middle sashing)
2. Cut remaining terry cloth and all flannel on the fold. This will give you 20 pieces of terry & flannel fabric approximately 13-1/2" x 21".
3. Cut these fabrics into strips 21" long in varying widths ranging from 1-1/2" to 5-1/2".
4. Cut flannel for binding - (5) 3" strips. (You may choose to use 2-1/2" strip or some other size. Because we had terrycloth backing we cut the strip a little wider to accommodate the heavier weight).

Assembly

1. Using strips of various widths and fabrics, sew the strips together making strip sets that are 11 - 13" wide. Make 10 strip sets.

2. Using the template provided (or a 22.5 wedge ruler), cut 52 blocks. You can stagger the templates on the fabric strips. They don't all have to be cut the same.
3. Sew the blocks together into 4 rows, 13 blocks per row, rotating every other block.
4. Square up the rows into lengths about 34". The length isn't important as long as all are the same length.
5. Use the 1-3/4" top and bottom sashing strips, sew 2 random lengths together to make the upper sashing. It needs to be the length of your rows of blocks. Repeat using a different combination of fabrics for lower sashing.
6. Repeat using the 2-1/4" strips of terrycloth to make the center sashing.
7. Assemble the quilt by placing the pieces in the following order: Row of blocks, top sashing, row of blocks, middle sashing, row of blocks, bottom sashing, row of blocks.
8. Using the same technique as above and the 2" strips, assemble the side borders of the quilt. They should measure the length of the quilt. Join them to the quilt.
9. Once again using the same technique and the 2-1/2" strips, assemble and join the top and bottom borders.

Finish It

1. Sandwich and quilt as desired. We used a cloud motif.
2. Piece together the binding strips on the diagonal.
3. Bind your quilt.

You now have an adorable baby quilt to keep or gift!
